"Together we will work to offer Holistic Education for our Children"

Treaty, Language and Culture Catalyst Teacher

Overview

Moosomin First Nation School is Pre – K to grade 9 and is located 30 kilometers north of North Battleford Saskatchewan. Moosomin First Nation Education Council (MFNEC) is dedicated and culturally rooted to furthering academic, cultural and language pride of all students. MFNEC is accepting all applications for the 2022 – 2023 school year for the Treaty, Language and Culture Catalyst Teacher position. Placement of the successful candidate will work with Pre – K to grade 9.

Qualifications

- Must hold a Bachelor of Education (B.Ed.).
- Possess a Teacher Professional "A" Certificate.
- Must provide a criminal record (CPIC) and vulnerable sector check.
- Possess a valid Saskatchewan Driver's License.

Knowledge, Skills, and Abilities

- Knowledge of First Nation culture and understanding of land-based practices.
- Experience working with First Nation students in an educational setting.
- Knowledge and experience in treaties, Cree language, cultural and land-based programming.
- Knowledge of First Nation education
- Knowledge of First Nation cultures and lifestyles
- Ability to maintain a high level of confidentiality.
- Fluency in plains Cree language, preferably "Y" dialect is an asset.

Responsibilities/Duties

Program Development and Delivery Main Activities:

- Assist with developing curriculum and or programming that is based on the cultural land-based program, and connections to the land.
- Incorporate land-based practices, protocols and the relationship to First Nation peoples' identities and ways of life that will promote identity and culture.
- Travel with students to land-based programming sites.

"Together we will work to offer Holistic Education for our Children"

- Utilize effective teaching strategies that support student learning and development regarding treaty's, language and culture.
- Help monitor and evaluate student performance and progress.
- Identify academic levels and needs of students and, where necessary, develop remedial activities and resources to support student success.
- Assist school administration to identify areas of partnership with potential land-based instructors, organizations and businesses that will support students' goals and academic success.
- Attend and participate in professional development activities such as workshops, seminars, and in-service training to further education, skills, and training.

Collaborating with School Administration:

- Monitor use of resources with school administration to ensure adequate instructional resources are available.
- Assist with preparing student, outdoor education activity sites, and classroom needs assessments on an annual basis
- Prepare safety plans, including emergency extraction, for outdoor activities
- Report student progress as required to the Principal, students, parents/guardians, and Education Counsellors
- Monitor and implement rewards and/or disciplinary action to support excellence in student performance and behavior
- Liaise and work with parents/guardians to support students' academic success.

Professional and Organizational Development:

- Liaise and build relationships with other First Nation communities to enhance the land-based program.
- Advocate for students to ensure individual student academic and mental health needs are met.
- Ensure assessments and evaluation support student academic growth and the development of effective learning skills and attitudes.
- Recommend additional resources to support program development and success for all students.
- Develop and enhance relationships with First Nation Education Authorities, parents, and education counsellors (e.g., Visit students' home communities)
- Other duties as may be assigned by the Principal.
