MOOSOMIN FIRST NATION

STRATEGIC PLAN SUMMARY

VISION

A thriving, self-determined Nation where culture is strong, people are healthy and connected, and future generations prosper.

MISSION

Supporting Moosomin First Nation membership through strong leadership, effective program delivery, member engagement, and promoting propriety.

01 CULTURE, IDENTITY & COMMUNITY UNITY

Our community is united through inclusive engagement and meaningful communications, and our Cree language, traditions, and culture are celebrated.

A. Develop and sustain Cree language programs
B. Deliver cultural teachings, gatherings, land-based learning, and healing initiatives
C. Strengthen communications and increase engagement and community-building activities

02 WELLNESS, SAFETY & PREVENTION

Members have access to quality health care, addiction support, and family programs and services that promote healing, well-being, and care for our vulnerable people.

A. Expand health services, expertise, and Elder care programs
B. Deliver on-reserve addiction, members at risk, and rehabilitation services
C. Strengthen Child and Family Services education and prevention programs for families and children
D. Improve community safety
E. Create security and reliable access to healthy food

03 EDUCATION, TRAINING & EMPLOYMENT

Members are educated and skilled, pursuing meaningful careers and contributing to their families, community, and a high quality of life.

A. Enhance education post-secondary supports
B. Create in-community employment opportunities
C. Provide resources in trades and vocational training
D. Support start-up and member-owned businesses

04 LAND, INFRASTRUCTURE & DEVELOPMENT

The Nation's land base, housing, infrastructure, and community assets support our thriving community, improved quality of life, and long-term opportunities for future generations.

A. Address housing needs on and off reserve
B. Identify and invest in community and cultural infrastructure
C. Maintain community infrastructure and services
D. Develop long-term use plan

05 GOVERNANCE, LEADERSHIP & ACCOUNTABILITY

Accountable leadership, transparent decision-making, clear policies, and strong financial and administrative practices that build community trust and demonstrate responsible leadership and management of the Nation.

A. Strengthen Chief and Council leadership and clarity of roles and responsibilities
B. Develop and update policies
C. Oversee financial management and credible reporting
D. Improve administrative systems and strengthen internal capacity
